

## UD

### Professional Undercounter Dishwasher/Glasswasher – 500mm Rack W 570mm x D 600mm x H 840mm

The Washtech Professional Range combines the best of modern technology with an uncompromising use of high quality components and heavy duty stainless steel construction. The result is a machine that you can rely on for great wash results for many years to come.

The Washtech UD incorporates intuitive electronic controls providing soft wash start, eco power saver system, easy to read temperatures for HACCP reporting, chemical pump adjustments and priming, cycle customisation, immediate fault diagnosis and much more. The result is a versatile and high capacity undercounter dishwasher/glasswasher that at 600mm deep fits comfortably under most benches.

#### Standard Features

- Quikstart 1, 2 and 3 minute cycles
- Washes up to 1,080 plates / 1,500 glasses per hour
- QuikConnect Installation with everything you need including:
  - Water supply hose
  - Dual detergent and rinse aid pumps with injector lines
  - Drain pump outlet hose
  - 15 amp plugset
  - No commissioning required
- Reliable results through robust stainless steel wash and rinse arms with precision stainless jets
- Durable stainless steel construction
- Moffat's Comprehensive 5-2-1 Warranty
- Low hot water consumption of 2.6 litres per cycle
- Soft start ensures great wash results through progressively pressurising the cycle to provide a consistent and even clean every time
- EcoPower reduces temperatures and energy consumption when machine is not being used
- Insulated door to reduce noise and heat emission from the machine
- Reliable double filtration system via scrap trays and separate wash inlet filter

#### Includes:

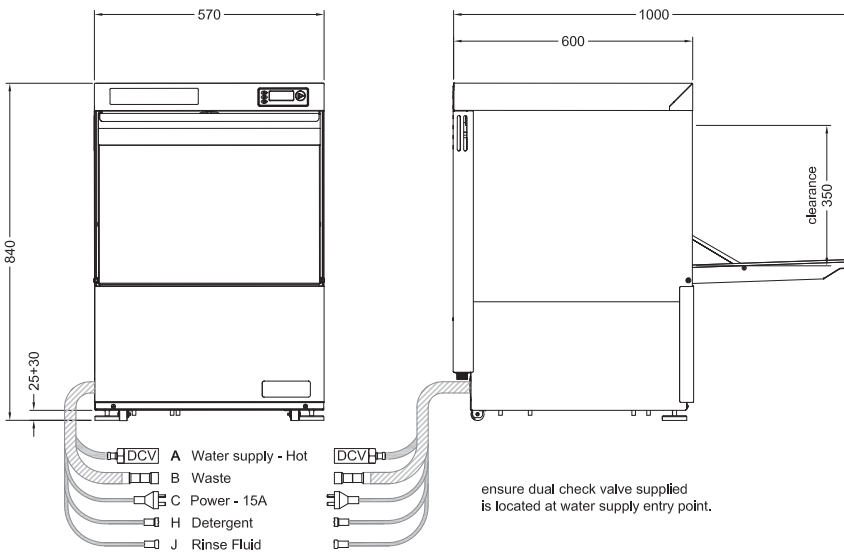

- 1x 600 70028 - 500mm dish rack
- 1x 600 70029 - 500mm cup rack
- 1x C660503 - cutlery container
