

The Ultimate Blender for Every Beverage Program

From fruit smoothies to thick shakes, the Drink Machine Advance® is an essential tool for adding or expanding a blended beverage program.

Smart Product Design

- 6 optimized programs and automatic shut-off means you can turn it on, walk away, and achieve consistent results
- Pulse control quickly refreshes drinks for efficiency
- Advance® container creates faster, smoother pouring and has a longer blade life resulting in time and cost savings along with improved customer experience
- Advanced motor is designed to resist overheating when blending extra-thick ingredients resulting in cooler operation and enhanced reliability during peak hours of operation

STANDARD FEATURES:

- Advance Blade
- 0.9 litre high impact clear container
- 6 setting dial switch
- 6 x optimise programs
- Pulse switch

PACK INCLUDES:

Drink Machine Advance® with 0.9 litre high-impact, clear/stackable Advance® container, complete with Advance blade assembly and lid, and black base.

Three year parts and one year labour warranty on motor and base. One year warranty on the container, lid, blade assembly, drive socket and sound enclosure against defects in material and workmanship.
